Dear Mama Bear, Papa Bear, and Baby Bear,

My name is Goldilocks. I am the girl you found in Baby **Bear's** bed. I am writing this letter to apologize for all of the things I did wrong at your house. I am very sorry for eating Baby Bear's porridge. I am going to domino to get baby bear cheese pizza I think that baby bear will like it better than porridge.

I am also sorry for breaking Baby Bear's chair. I am going to Raymour and Flanigan to buy baby bear a new **blue** chair.

I would like to bring these things to your house next Monday. Please let me know if you will be home.

Thank you,

**Goldilocks**
