Dear Mama Bear, Papa Bear, and Baby Bear,

My name is Goldilocks. I am the girl you found in Baby Bear's bed. I am writing this letter to apologize for all of the things I did wrong at your house. I am very sorry for eating Baby Bear's porridge. I am going to Chipotle to buy Baby Bear tacos. I think Baby Bear will like it more than porridge.

I am also sorry for breaking Baby Bear's chair. I am going to Home Depot to buy a hammer, nails, blue paint and a paint brush to fix Baby Bear's blue chair.

I would like to bring these things to your house next Monday. Please let me know if you will be home.

Thank you,

Goldilocks
