

Dear Mama Bear, Papa Bear, and Baby Bear,

My name is Goldilocks. I am the girl you found in Baby Bear's bed. I am writing this letter to apologize for all of the things I did wrong at your house. I am very sorry for breaking Baby Bear's chair. I am going to Bob's Furniture Store to buy Baby Bear a new **Blue** chair.

I am also sorry for eating Baby Bear's porridge. I am going to go to Olive Garden to buy you soup and bread sticks. I think you will like it better than porridge.

I would like to bring these things to your house next Monday. Please let me know if you will be home.

Thank you,

Goldilocks
